Superintendent's Newsletter

Dr. Wayne F. Gersen

At their meeting of Feb. 22, the Board of Directors of S.A.D. #44 will be asked to give tentative approval for the appropriation of \$2,823,185 for the FY 83 budget. This reflects over \$50,000 in budget cuts as requested at the Committee level, and provides for fiscal austerity with a minimum amount of impact on direct instruction. While a majority of the reductions, nearly \$30,000 are result of downward adjustments in energy cost projections, two areas of reduction identified by the Finance Committee at their meeting of Feb. 11, will require action by the full Board of Directors. Those areas are: reduction of the position of District Nurse/Health Curriculum Coordinator to part-time status; and, a reduction of \$5,500 in the student activities account which will result in the elimination of the interscholastic football program.

The changing of the District Nurse/Health Curriculum Coordinator to a part-time position as recommended by the Finance Committee, will result in a savings of up to \$12,925. School Districts are not required by law to employ a full-time health professional. Rather, districts must provide several health related services to students in the district and are required to maintain several specific records on students. By making the position of District Nurse/Health Curriculum Coordinator part-time only, the Board will still be able to meet its legal mandate.

BETHEL TAXPAYERS ASSN.

TO MEET THURSDAY, FEB. 25

The Bethel Taxpayers Association will meet at the Bethel Savings Bank Thursday, Feb. 25 at 7:30 p. m. Items on the agenda will be: town and school budgets; the upcoming town meeting; local economy; acceptance of Odeon Hall. Please come and air your opinions. There are people who listen and do something about it.

GOULD ADVANCES IN TOURNEY PLAY WITH 58-51 WIN ON WEDNESDAY

Gould Academy moved to the Western Maine Class D basketball tournament final with a 58-51 win over Oak Grove-Coburn Wednesday morning in action at the Augusta Civic Center. The Huskies will meet Vinalhaven in the Western Maine final Saturday morning at 11 o'clock at the Augusta site. Dwayne Martin and Dino Slayton paced the Huskies with 20 and 15 points respectively in the Wednesday tilt.

P.U.C. POLL IN BRYANT POND MISLEADING ACCORDING TO "DON'T YANK CRANK" GROUP

The poll at the recent P.U.C. hearing on the Bryant Pond Telephone Company which seemed to indicate residents were in favor of dial service was misleading according to the Don't Yank the Crank Committee. One thing that seemed to be overlooked by many television and newspaper reports was that the oral testimony before the P.U.C. ran 52 to 48 in favor of the "Crankers". In addition, a substantial number of letters to the issue, from actual subscribers who could not attend, are yet to be tabulated.

The original impetus for the formation of the Don't Yank the Crank continued on Page Five

FROM THE bethel town office

A new supply of moose permit applications is now on hand at the Town Office, both for residents and non-residents.

February is the month that more registrations expire than any other. Check your registration or plates to see if February is the month for re-registration.

The Budget Committee held its third meeting on Tuesday, Feb. 16, and completed the 1982 budget as presented by the Selectmen. They also approved the recommendations of the Selectmen for the use of Revenue Sharing Funds and the amount to be used against taxation from surplus. The Budget Committee managed to decrease the budget by \$300 from the recommendations of the Selectmen. The Committee will have one more meeting in the next couple of weeks to act upon a recommendation that the Selectmen will be presenting regarding the town road grader.

The Selectmen will meet in regular session on Monday, Feb. 22. Agenda items will include discussion of the road grader, a meeting with Charlene Chase, Oxford County Community Services, regarding Community Development Block Grants, approval of treasurer's warrants, and other routine items.

Telstar Boys First; Girls Third in Southern Maine Regional Skiing

The Telstar boys' ski team squeaked by rival Edward Little High School and six other area ski teams to become the 1982 Southern Maine Class A Regional Champions. The three event meet was held Feb. 12-13 with giant slalom and slalom at Hebron and cross country at Fryeburg. Rebel skiers won the giant slalom and were second in the slalom and cross country and totaled 288.28 points to 288.08 for Edward Little. Gray-New Gloucester followed with 279.46, then came Fryeburg 273.76, Lewiston 273.22, Rumford 270.81, Oxford Hills 258.97 and Lake Region 183.67.

Rob James was the individual winner in the slalom with a two run time of 79.98 sec. He was followed by Bryan O'Donnell (7th), Chris Mills (14th), Jon Owen (18th), Rick Savage (27th), and Alan Merrill (41st).

In the giant slalom Rob James was again the first Telstar finisher in third place, Bryan O'Donnell (6th), Rick Savage (14th), Ross Swan (18th), and Jon Owen (25th) clinched the team victory in that event.

In Saturday's cross country Andy Chase took first place with a 21:01 time for the 7 km course. He was aided by Ron Savage in

fourth, Lawrence Smith (9th), Mike Kelly (17th), Chuck Jaros (28th), Tim Akers (29th) and Bryan O'Donnell (32nd).

In the girls part of the meet Telstar skiers finished third. Team scores were Fryeburg 284.78, Edward Little 273.13, Telstar 270.55, Oxford Hills 248.47, Lewiston 247.29, Gray - New Gloucester 244.55, Rumford 236.69, and Lake Region 137.42.

In slalom Malin Krivst was the first Telstar finisher in 7th with Jill O'Donnell 8th, Kathy Swain 16th, and Linda James 27th.

Heidi Burk redeemed herself by taking second place in giant slalom. She was followed by Malin Krivst (9th), Jill O'Donnell (13th), Kathy Swain (17th), and Linda James (35th).

In the cross country Virginia Kelly, Laurie Vogt and Julie Hastings were 1st, 3rd and 5th, respectively. They were backed by Gerri Gauthier (17th), Joyce Gauthier (20th) and Joyce McAllister (21st).

The top four teams in both boys' and girls' meets qualify to compete in the Class A State Championships to be held Feb. 25-26 at Sunday River and Telstar.

TELSTAR TO HOST STATE "A" SKI CHAMPIONSHIPS

THURSDAY-FRIDAY, FEB. 25-26

On Feb. 25-26 Telstar will host the State Class A Ski Championships. The alpine events will be held at Sunday River Skiway and the cross country at Telstar.

Schedule of events:
Thursday, Feb. 25: 9:30 a. m., 1st run of slalom; 12:30 p. m., 2nd run of slalom; 6:00 p. m., Pot luck supper for teams and families in Telstar cafeteria.

Friday, Feb. 26: 9:00 a. m., 1st run giant slalom; 10:30 a. m., 2nd run giant slalom; 1:30 p. m., girls cross-country; 2:30 p. m., boys cross-country; 12:4 p. m., Food sale at cross-country race site; 4:00 p. m., Awards, Telstar Auditorium.

gross expenditures of \$23,750, with \$8,750 to be raised locally.

The final revision of the FY 83 budget will be presented along with a review of revenue sources and a line-by-line breakdown of expenditures.

The Directors will be asked to take action on two agenda items that would: (1) change the position of District Nurse/Health Curriculum Coordinator from full-time to part-time effective at the close of the current school year, and (2) eliminate the football program at Telstar Regional High School.

The Board of Directors will be requested to approve a budget for FY 83 which later will be submitted to the S.A.D. 44 voters for action. The final amount of this budget is contingent upon action the Board might take on the two items in the preceding paragraph.

Approval by the Board will be sought for a field trip to Boston, Mass., by the students at the Woodstock Elementary School.

Northwest Bethel

Clarice Gibson, Corres.

Still cold today, 4° above this morning at six. We did have a beautiful day Thursday. I picked up Aunt Sara in Albany and we went shopping in Norway and had a turkey dinner at the folks, Mr. and Mrs. George Allen. The 9th we had quite a lot of snow in the morning and Saturday it snowed quite a little but no big amount.

Yesterday was Valentine's Day. The day of letting those we love know of our appreciation. I remember more than one year of being homeroom mother and going to help distribute goodies and punch to the children. Usually someone gets an unsigned valentine and wonder who could have sent that. Also Friday was the beginning of school vacation and today is the observance of Washington's birthday. I still can't understand how children can remember dates, if they celebrate another date.

Saturday Wilfred called from Hawaii about 3 a. m. Jim called from North Reading Mass., later in the morning and Ira called from El Toro, Calif., about 3 p. m. Frankie came for Sunday dinner so heard for all the boys this week end.

Several from here helped at the Nell Valentine fire on Mechanic St. I was told that Nell's husband's father was the mail carrier on this road years ago with a horse and buggy. Also was told that he kept cattle and horses on the land they owned and Nell still does between the airport and Bill Chapman's old farm.

Dick, Sue, Kristy and Timmy Angevine have been visiting Ricky Angevine, Room 276, C.M.M.C., Lewiston. Ricky is improving but would still like cards.

Friday visitors to see Becky Shaw and twins were Elaine Hutchins, Misty and Shilo, and Jody Keniston and two children.

Saturday afternoon Dr. and Mrs. Leonard Shaw went to North Conway, N. H., and had supper there. In the evening visitors were Amy Davis, Bethel; Mike Davis, Conway, N. H.; Andy Davis and Pat Auger, Sanford and Sunday visi-

tors were Charlie Seashore, and daughter, Kimberly of Washington, D. C.

Mrs. Evelyn Hilborn had for Wednesday dinner guests Francis Farnum and Kay MacAllister, Bryant Pond and Bertha Flanders, Locke Mills. They called and all talked to their friend Ellen Tuck in Toronto, Canada. Francis spotted a sharp tailed grouse through the window and the ladies enjoyed watching it.

Mr. and Mrs. Frank Benson visited his sister and husband, Mr. and Mrs. Elliot Brown, Dixfield, Sunday.

Larrie Grindall and friend of Westbrook visited Judy Coolidge and family the 7th.

Melinda Mason, daughter of Mr. and Mrs. Charles Mason, returned Sunday, after a week's vacation in California with her sister, Terry, Lee and Beth Blake. The three went to Lake Tahoe to their Uncle Bill and Lea Murphy's cabin, who also went. Their cousin Dianne and husband also joined them. I understand they went skiing, and shopping in San Francisco and had a wonderful, exciting time.

Saturday night, Donnie and Christine Bacheider joined their parents, Mr. and Mrs. Homer Smith and they played cards. The Smiths also babysat their grandson, Adam Smith.

Randy Wilson visited his friend, Andy Smith, and went home Saturday afternoon.

Ernest, Alberta, Avery and Mary Angevine drove to Skowhegan early Friday morning and boarded one of three buses heading to Quebec City, Can., for Maine week end in Quebec. They stayed at Auberge des Gouverneurs Hauteville in Quebec City. Maine's Governor Brennan and two children were honored at a dinner and reception Friday evening. Saturday went to City Hall and Gov. Brennan exchanged greetings and gifts with the Mayor of Quebec.

At noon had a Maine luncheon at the armory. Then they went around to see the ice sculptures. The largest was in the shape of a castle which could be entered and understood there were more sculptures inside. Saturday evening, there was a Mardi Gras-like parade which they could watch from their hotel window. They watched the toboggan runs and Sunday morning walked the Boardwalk by Plains of Abraham. They left Quebec Sunday afternoon getting home about 11 p. m. Three young men from South Portland sang and played at the festivities.

Robert Saunders is now living with his mother and brother, Pat and Richard Saunders, and is a chef at Gould Academy.

Friday night Pat Riley of Portland spent the night with her Aunt Althea and husband, Stan Brown. Mary Belle Bennett came the 7th to Stan Brown's and the Laban family came over and had coffee with them.

Jody Shimamura went to C.M.M. C. Lewiston to see Ricky Angevine, Saturday.

Billy, Betsy, and Justin Shimamura had supper with Jolene Andre, Saturday.

Evening Hymn
Slowly by God's hand unfurled,
Down around the weary world,
Falls the darkness; oh how still
Is the working of Thy will.
Mighty Maker! Here am I—
Work in me as silently,
Veil the day's detracting sights,
Show me heaven's eternal lights.
May my soul attuned be
To that perfect harmony,
Which beyond the power of sound,
Fills the universe around.

NOTES FROM

Evans Notch

White Mountain National Forest.

The Evans Notch Ranger District is one of many organizations that participate in the Senior Community Service Employment Program (SCSEP). SCSEP is a program sponsored by the Department of Labor for older workers who meet certain guidelines. The program is designed as a supplemental income opportunity, with enrollees being employed a maximum of 1300 hours per service year.

We are authorized six SCSEP slots on the Evans Notch District. Enrollees average 1100 hours each year and provide support in a variety of District projects. Knowledge and skills gained during long employment careers prove useful in helping meet Forest Service goals for quality public facilities and service.

Current program members are: Ethlyn Caillouet and R. Glen Murphy, Bethel; James Everett, West Bethel; Thomas Bartholomew, Newry; Michael Kaplan and Joseph Provencher, Locke Mills. Some examples of this group's contribution may be seen in facilities and equipment maintenance at recreation areas, sign program, wildlife nesting boxes, and general visitor assistance.

One goal of the SCSEP program is to assist and encourage enrollees in seeking employment in the private sector. A mature worker has much to offer, whether it be a full or part-time position. Inquiries regarding this aspect of the Forest Service-SCSEP Program are welcomed. Contact Floyd Dailey at our Bethel office.

Another area in which we seek more public involvement is our Volunteers Program. A variety of tasks are available to suit individuals or organizations wishing to participate. Projects are now being planned for the spring and summer, many of which volunteer participation would be appreciated.

A Volunteer Program Coordinator for the Evans Notch Ranger District is also needed. Those interested in any project should contact Ruth Feeney at our office.

Finally, in cooperation with the White Mountain National Forest, a U. S. Army Special Forces group will conduct winter warfare training exercises in the Wild River area from Feb. 19 to Feb. 28. Care has been taken to ensure impact on the general public and on National Forest resources will be kept to a minimum.

FEBRUARY IS CHILDREN'S DENTAL HEALTH MONTH

This is the third in a series of four articles on dental health published by The Citizen, in cooperation with the S.A.D. 44 Dental Health Program, in observance of National Children's Dental Health Month.

Our children will be playing soccer this spring and I'm worried about injuries to their mouths. How can we protect them?

Injuries to the mouth are common in contact sports like soccer; in fact, at one time half of all football injuries involved damage to the mouth area. Teeth may be cracked, chipped, or knocked out, and the lips, tongue and gums cut by the impact of the teeth during a fall or blow to the mouth area.

For this reason, it's a good idea to have your child wear a mouthguard when participating in contact sports or other activities such as skateboarding, rollerskating, and field hockey. In many sports, mouthguards have become required equipment and have dramatically reduced mouth injuries. Your dentist can make a mouthguard for your child to provide optimum protection.

If an injury does occur, even if it doesn't appear serious, you should consult your dentist. He can determine how extensive the damage was to the surrounding tissue and tooth root and recommend treatment. Cracked or chipped teeth can be restored to a natural looking appearance. If a tooth has been knocked out, your dentist may be able to save it, particularly if you bring child and tooth to him within 30 minutes. Carry the tooth in water or a wet cloth, but DO NOT wash it.

Walking With Jesus Christ

The common place things of this world, here the snow—a month or so to spring—the woodpile running low and birds to feed. Seems so "everyday"—yet, there goes on around us unseen and "un-hearing" events of such magnitude that, were we aware of them we would be startled. We're not speaking of electronic radio and T.V. beams but of Biblical things.

Taking a lesson from Daniel 10: 12, 13—"Don't be afraid, Daniel. Since the first day that you set your mind to gain understanding and to humble yourself before your God, your words were heard, and I came in response to them. But the prince of the Persian kingdom (the devil) resisted me twenty one days. Then Michael, one of the chief princes came to help me."

This is a picture of the war in the heavens and on earth—between Satan—the forces of evil and darkness—and our own protecting angels. Heb. 1:14 "Are not all angels ministering spirits sent to serve those who will inherit salvation?" Yes, angels are watching over us and those few who have "not yet" surrendered their lives to Christ. Heb. 13:2—"Do not forget to entertain strangers, for by doing so people have entertained angels without knowing it." Something to think about!

While the Christian has an angelic host for his protection we must contend with the powers of darkness—those of the kingdom of Satan. The expressions of demonic forces are not limited to Biblical history and location but are quite evident in today's society. In Job 1:6—"The Lord said to Satan, 'Where have you come from?' Satan answered the Lord: 'From roaming through the earth and going back and forth in it.' The Christian being steadfast—submitting himself to God in all things has nothing to fear: 'No, in all these things we are more than conquerors through him who loves us. For I am convinced that neither death nor life, neither angels nor demons, neither the present nor the future, nor any powers, neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord.' Rom. 8:37-39.

The Christian a "peculiar people" are planted among the everyday commonplace things of this world to thrive and carry on God's assignment for them with worship and praise—taking dominion over the darkness of this world.

"Finally"—Ephesians 6:10-18—"Be strong in the Lord—always praying for all the saints."

NIELSEN - STARR

The wedding of Carol Starr and Charles Nielsen took place Feb. 14 in Bethel at the Mt. Abram Lodge. A pot luck supper followed.

Jean and Brendon Bass, ministers of the West Parish Congregational Church performed the ceremony. Bonnie Vendig of Alstead, Center, N. H., sang and played the recorder and harp. Lyn Bristol of North Waterboro, Maine, and Jane Young of Norwalk, Conn., each sang and played the guitar. Margaret Anderson of Rumford Center and Charles Parish of East Islip, N. Y., read poetry. Petrine Neilson carried the ring and Christine Neilson gave it to his father. Legal witnesses were Chuck Starr son of Carol, and Hal Watson of Rumford.

Carol is the daughter of Charlotte Zahn of Lancaster, Pa., and the late J. Perry Zahn. Charles is the son of Dorothea Neilson of Manchester, Conn., and the late Thorvald Neilson.

Carol is a teacher of gifted and

BETHEL SENIOR CITIZENS HELD MEETING FEB. 10

The Bethel Senior Citizens met on Wednesday, Feb. 10, at the I.O.O.F. Hall for their regular monthly meeting with 69 members present. Maude Danforth had charge of the registration book.

The meeting was called to order by the President, Muriel Faudt. Prayer was offered by Rev. Millett Cummings followed by the Lord's Prayer in unison. The flag salute was given and one verse of America sung. The secretary and treasurer's reports were read and accepted.

Floribel Haines reported that nine get well cards had been sent. Also four sympathy and one wedding card. She asked the group to help keep her informed of any who might be on the sick list.

The President announced that a trip to the "Castle in the Clouds" would be forthcoming later in the year. She also mentioned that a trip to the State House in Augusta had been suggested. It was met with approval by those present.

Maude Danforth announced that a Parcel Post Sale would be held at the next meeting. Everyone is asked to bring one or more packages wrapped for mailing. A price for the package is to be marked on one side.

Observing birthdays were: Frances Bennett and Marjorie Cummings. The birthday cake was furnished by Mary Cole and Ethel Whittemore and was made by Leona Flint.

The next meeting will be held on March 10 at the I.O.O.F. Hall. Everyone is requested to wear something green in honor of St. Patrick's Day.

The meeting was adjourned.

talented in Rumford, Charles is an English teacher at Dirigo High School, Dixfield.

Out-of-state guests other than the friends who participated in the ceremony, were Dorothy Nielson, Jane Higgins of Stonington, Conn., Karen Riley of Chicago, Ill., and Pat Clark of Darien, Conn.

BILL KOCH LEAGUE NAMES CHAMPIONSHIP QUALIFIERS

The District I Bill Koch League coaches met Sunday, February 14, and named the skiers who will be competing in the BKYSL Championships at Tupper Lake and Lake Placid, N. Y., Feb. 27-28. Those chosen are:

Class 5 Girls: 1. Maren Haskell (Aub.); 2. Christina Gammon (Aub.); 3. Daphne Bills (Beth.).
Class 5 Boys: 1. Jamie Upham (Farm.); 2. Mike Miller (Aub.); 3. Kevin Davis (Beth.); 4. Dean Angevine (Beth.); alt., Nathan Miservochi (Aub.).

Class 4 Girls: 1. Heidi Belanger (Aub.); 2. Patti Jaros (Aub.); 3. Jasia Jodrey (Aub.); 4. Sandra Morton (Aub.); alt., Jenny Milton.

Class 4 Boys: 1. Brant Remington (Beth.); 2. Matt White (Aub.); 3. Bob Chase (Aub.); 4. Derek Adams (Aub.); alt., Jon Martin (Aub.); Shane Stewart (Rum.); (nordic combined).

Class 3 Girls: 1. Kirsten Froburg (Berlin); 2. Kerri Haskell (Aub.); 3. Tammy Milligan (Aub.); 4. Sara Fairbank (Aub.); alt., Emily Gammon (Aub.).

Class 3 Boys: 1. Tony Milligan (Aub.); 2. Jay Davis (Beth.); 3. Mark Weirick (Rum.); 4. Brent Angevine (Beth.); alt., Robbie Shields (Aub.).

Mr. and Mrs. Robert Greenleaf and Nancy of North Schute, R. I., visited his mother, Mrs. S. S. Greenleaf and other relatives in town for several days this week.

Rev. Cummings offered grace and a nice ham dinner was served.

Following the meal a musical program was presented by a chorus of fifth grade pupils from the Crescent Park Elementary School under the direction of Sue Mitchell. They had well trained voices and it was both a delight and a treat to listen to them.

WOODSTOCK HISTORICAL SOC. SHOWS NIGHT SCENES

The program at last week's Woodstock Historical Society meeting featured slides of night scenes, mostly in and around Waterville by Mansfield Packard. The slides' quality was most professional. They concentrated on Christmas decorations, store fronts, and interior decor. At the conclusion of the meeting President Eva Twitchell and Kay Billings presented a Valentine's Day cake to the newlywed Packards.

The historical display of recent acquisitions was organized by Curator Larry Billings. It included a notebook of clippings on the phone company and donations from Mr. and Mrs. David Thompson of Bethel and Silvia Judkins of Bryant Pond. He also distributed copies of his poems to the members. A donation from Margaret Joy Tibbets of the Bethel Society for her copy of the poems was acknowledged by Treasurer Annie Crockett. Dorothea Hooper also sent a display of Valentine's Day cards which was much appreciated.

Many projects for future months were discussed. Woodstock's unofficial historian, Ruby Emery, will be in charge of recruiting members to present a short account of some aspect of local history at each meeting. The Society plans to sponsor a dinner for the Senior Citizens, accept donations on a T.V. set supplied by Paul Billings, a short course on Woodstock history for Mrs. Tracy's fifth grade, and possibly a salad luncheon sometime in the future. Eva Twitchell and Mary Billings are looking into having stationery with Woodstock scenes printed for the Society. Hopefully, all these projects will bear fruit in the near future.

SCIENCE AT E.B.S. — Lisa Westleigh (right) and Laurie Vogt, students of Tim Kersey at Telstar, presented an interesting Activity Period lesson to four groups of students at the Ethel Bisbee School. Using a film loop, an oscillograph, a radio transmitter, and various simple experiments, the girls demonstrated heat, sound, wind and liquid waves.

ALL MAINE COUNTIES REPRESENTED ON HONOR LIST AT U. OF M. - FARMINGTON

Students from all 16 Maine counties are among those named to the Dean's List for the fall semester at the University of Maine at Farmington.

Under UMF's Dean's List policy, only those students in the top quarter of all grade point averages make the list. For the most recent semester, the cut-off point was 3.4667 (of a possible 4.0). Those with averages 3.9125 and above received high honors.

In the following list, those with (H) after their names achieved high honors:

Those named from Oxford County were: Doreen Johnson, Brownfield; David G. Bell, Jeanne B. Scott, Buckfield; Tania L. Clark (H), Sarah M. Voorhees (H), Dixfield; Ann E. Oldham (H), East Peru; Elizabeth E. Breidenbach, Robin J. Newcomb, East Andover; Melanie L. Swan (H), Locke Mills; Cynthia L. Buckingham, Rebecca J. Hebert (H), Paris J. Lavorgna,

GOULD WINTER CARNIVAL HELD LAST WEEK

Last week, students at Gould Academy held their Annual Winter Carnival during a day and a half mini vacation from classes. Included in the many events were a carnival dance featuring the music of EBO, snow sculptures, inter-dormitory athletic events in volleyball, snowshoe racing, and relay races, a slave auction, and talent show. This year's abundance of snow certainly added to the festive occasion—a departure from the last two years of snowless winters.

Students are now back in the classroom preparing for the end of the term examinations and three week vacation period beginning on March 5.

ENTERTAINS AT THE BOILER ROOM — The Boiler Room Restaurant and Lounge, Bryant Pond, would like to announce the addition of Margaret McLaren (Marty) who will be performing for your dining entertainment each Friday and Saturday evening.

Marty lives in Norway with her two children, James 13, and Jessica 10. Marty has been living in Maine 10 years and has been performing for nine years. P.U.C. POLL MISLEADING SAYS "DON'T YANK" GROUP

continued from Page One

Crank Committee was a door-to-door poll of the subscribers. The results were as follows: (at the time) total subscribers / phones customers, 439; visited 83% (364); favoring crank 72% (262); favoring dial 10% (36); undecided or for improvements 18% (65). Each telephone was considered one subscriber. If there was a split opinion within a household, the votes cancelled each other out (there were four households where husbands and wives disagreed). The resulting signed polls are still on record with the P.U.C. along with the testimony at the hearing. Many residents felt, quite justifiably, that their signed statement should be sufficient and so did not show up at the hearing, according to the Don't Yank the Crank Committee. Others were understandably timid about appearing in front of so many television cameras.

Much has been made over the show of hands vote which was taken at the hearing during the evening session. The afternoon hearing was overwhelmingly for preserving the old system with applause for some speakers, yet no show of hands was taken at that time. Many are writing to the P.U.C. to protest, stating that the vote should be invalid for the simple fact that there was not a vote taken at the afternoon session. In addition, apparently as many as seven of one family with two phones listed voted for dial. Also included in the voters were a reported 17 to 19 residents of South Woodstock and West Paris who are already on a dial system and, in the opinion of the Don't Yank

and done concert work. She has performed with such notables as Bill Bonny, Jean Ritchie, and Gordon Bok.

Marty accompanies herself with a 12-string Bok guitar, an auto-harp, dulcimer, and recorder, but is most noted for her Acappella performance. Her 'magnificent voice will entrance you. Marty sings traditional and modern folk music.

FIRST IN CHRISTIAN FILM SERIES: A PECULIAR PEOPLE

The first in the film series "The Christians" sponsored by the University of Maine at Farmington Public Service Division, the Maine Council for the Humanities and the Film Services Division of the Maine State Library in cooperation with the Bethel Historical Society will be held on Wednesday, Feb. 24, in the meeting room of the Dr. Moses Mason House, 7:30 p. m.

The film entitled "A Peculiar People" examines the first 300 years of Christianity, the period of its growth from a radical cult to the institutionalized religion of Constantine's empire.

The discovery in 1947 of the Dead Sea Scrolls has given historians some revealing insights into the religious climate of the times and into the contact between Christianity and the traditional religion of the Jews. These scrolls bear the writings of a group of Jewish Monks, the Essenes, who were waiting for the arrival of the Messiah. To them, as to all Jews, God was a distant, intangible figure who revealed himself only to the prophets.

To the Christians, God revealed

the Crank Committee, should not have been allowed to vote. Moreover, at least four testimonies were taken and counted for persons who have left the area and were never listed as subscribers with the Bryant Pond Telephone Company. Needless to say, the lawyers of the respective sides will try to iron out these irregularities in succeeding months. In addition, there is still an opportunity for residents whose views were not heard or who did not want to testify orally to write to the P.U.C. The Don't Yank the Crank Committee would gladly supply an address.

In the evening session there was also testimony to the effect that it would indeed be feasible to run dial and "crank" systems simultaneously in Bryant Pond. Hopefully, a compromise may be in the works that would allow the community to keep the old system in part. It is the feeling of the Don't Yank the Crank Committee that the national publicity and interest on the issue should be sufficient to warrant such a solution, or some viable alternative.

In the final analysis, should the P.U.C. rules that the crank phones must be replaced, the "Don't Yank the Crank" Committee has been concentrating on another aspect. It is hoped that the P.U.C. will also rule that Oxford Tel. & Tel. will be directed to replace the system with the highest level of telephone equipment available. A spokesman from "Don't Yank the Crank" has said "Why should Oxford Tel. and Tel. be allowed to install used equipment of 1950 technology? Many residents believe they will be able to have touch-tone phones and more private lines, when in fact, they will be faced with future up-grading of equipment and the usual subsequent rate increases before that will be possible."

Thank you to the BEARS for standing by. A special thank you to the Greenwood Fire Department for the spare air tanks.

UMF RUMFORD/MEXICO CENTER REPORTS INCREASE IN SPRING ENROLLMENTS

The UMF Rumford/Mexico Center has announced that its University of Maine courses in Rumford and Mexico have brought significantly larger numbers of area students to spring semester classes. Enrollments in this, the second semester of the Center's existence during its "exploratory year" of University of Maine classes in Rumford and Mexico, have risen in every respect according to Rumford/Mexico Center Coordinator, David Ackley.

"Last fall we had 98 students and a total of 68 course enrollments. For this semester's classes which began on Jan. 18, 66 students have signed up for a total of 124 course enrollments, representing an increase of 73% in the students enrolled and 82% in the number of course enrollments. In addition, we have had a very dramatic rise (over 300%) in the number of Rumford/Mexico Center students who have been accepted into University of Maine Degree Programs.

These students, as part-time or full-time degree candidates, apply Rumford/Mexico Center courses to degree requirements for the Associate at Arts (two year) and Bachelor of Arts/Bachelor of Science (four year) programs with a variety of academic majors in the University of Maine system. Nineteen Rumford/Mexico students are currently enrolled in University of Maine degree programs. The balance of the Center's students are taking individual courses in their areas of interest or accumulating course credits with a view toward eventual entry into a degree-granting program.

"This interest of people in college-level programs is highly encouraging," Ackley says. "It provides the most graphic support to date for the belief of the Rumford/Mexico Task Force on Higher Education that there is a substantial number of adults in this area interested in advancing their education when the opportunity is available."

The Center's enrollment rise is particularly noticeable, since it comes at mid-winter when college enrollments normally suffer some attrition. Additionally, the average enrollment per class has risen from 14 per class during the fall to over 15 per class this semester, even though the number of courses offered by the Center increased from five in the fall to eight this spring, which at least raised the possibility that the total number of enrollments could have increased while average class enrollment declined. "I would take this as a very favorable indication for what happens as a result of increasing and varying course offerings."

This spring the University of Maine at Farmington will conduct a thorough study and evaluation of the Rumford/Mexico Center's development to date which will involve Center students, UMF faculty and administration, members of the Rumford/Mexico Task Force on Higher Education and other interested members of the community. "The University needs to take a very balanced and objective look at what has been accomplished through the Center thus far, and what still needs to be done in order to see what resources and effort will be required to sustain programming at the level of quality it is committed to here. At the same time," Ackley says, "the progress we have made provides a very optimistic climate in which to conduct that evaluation."

"Much of the credit for that progress," he notes, "belongs to the individual and collective efforts of the members of the Rumford/Mexico Task Force on Higher Education, who have continued to lend guidance, support and hard work to the Center and its programs."

LOCAL SCHOOLS OBSERVE DENTAL HEALTH MONTH

Several classrooms in SAD 44 elementary schools have participated in special activities this month as part of the school health program and National Dental Health Month.

Karen Bean's fourth grade at CPS enjoyed a field trip that included a visit to Dr. Trinward's dental office to learn what takes place there. In addition they were shown how impressions of the mouth and teeth were taken, before going on to Mt. Abram Dental Laboratory. There dental technician, Mr. Arippez, demonstrated the types of work he does for the dentist. Back in the classroom over popcorn and orange juice, the students discussed their visits and what they saw with Mrs. Bean and Mrs. Barth.

At Woodstock school, Mrs. Tripp arranged for grades one, two and three to have a tooth brushing demonstration and a filmstrip about healthy snacks. The third graders were given Crest toothbrushing kits and will be brushing at school with these after they prepare toothbrush holders for themselves.

Grade three at CPS has had a series of dental health lectures over the past weeks as part of this science program. As part of this series Mrs. Kelly and the Dental Health Ed. program arranged for nutritious Valentine party snacks for the entire grade after their skating party. In addition to cheese and crackers and orange juice, they enjoyed fresh pineapple, bananas with peanut butter, oranges, apples (courtesy of Herb Lyon), sliced green peppers, celery, carrots and mushrooms in cottage cheese and sour cream dip, as well as pears and cantaloupe.

Mrs. Cousins' grade two at CPS had a special Valentine party attraction. It was a large, heart-shaped decorated pinata, made by Tim Cavanagh of Telstar Art department and filled with dental health goodies such as toothbrushes, dental floss, disclosing tablets, Captain Wonderdooth "Smile" buttons and sugarless gum (courtesy of Dr. Trinward). They had a grand time breaking it open and scrambling for the goodies. These children also enjoyed a nutritious fruit and vegetable snack party.

On Thursday next week Mrs. Wheeler's 4th and 5th grade class will be putting on a dental health play for the students at Ethel Bisee at their special assembly. These students are working hard to make this a memorable occasion for the younger students. On the same day in the morning the 4th, 5th and 6th grades at Andover will be enjoying a new Walt Disney filmstrip series about Dental Health called "A Soup Opera"—premier showing in this District—Discussions with the dental hygienist and classroom teacher will follow.

I don't have much regard for the ground-hog foolishness, but am enjoying signs of spring coming by the amazing growth of houseplants. Several have begun to bloom or grow including my grapefruit plant which has new shoots several inches long after months of no growth. Carrots and beets are sprouting and I have potted several for plants or seeds.

February bring a short month and full of holiday with winter still with us but signs of Spring should be designated as a time to finish last years Christmas gifts, send out the cards that got missed, do up the mending, other repairs and back up work. For the smarties who are all caught up on their work, they could otherwise enjoy the month-long holiday.

Earl and Lucille Largesse recently celebrated their 21st anniversary. They realized while they were in the restaurant that their choice of menu was the same they had for their first meal out as a married couple 21 years ago.

The selectmen held a regular meeting last week. On the agenda was the block grant and discussion of local roads. There is some difference of opinion as with State authorities concerning designation. The discussion of condemned property, surplus monies for reducing taxes, high insurance costs took much of the meeting. The auditor has the books and the town meeting is slated for March 16.

East B Hill or Andover Road has been closed by the County Commissioners because of poor care in sections. There has been complaints and questioning whether the Commissioners had the authority to do this without a hearing and a hearing has been set for Feb. 16. Two offers to maintain the road have been rejected and it is wondered if it will be practical to open the road after that hearing date.

Roland and I celebrated our birthdays recently. We got several cards, telephone calls and gifts and a visit complete with cake and ice cream from two daughters. As our birthday anniversaries are five days apart we enjoy them together.

Feted on Fortieth

Mr. and Mrs. James Coffin of Trap Corner observed their 40th wedding anniversary, Feb. 14. They were guests of honor at a family dinner party at The Country Way in South Paris, given by their three children and spouses and all of their grandchildren. A corsage was presented to Ruby and a boutonniere to Jim.

After a beautiful feast they went to the home of their son-in-law and daughter, Mr. and Mrs. Norman Millett for cake and homemade ice cream. The cake was made by a granddaughter, Mrs. Albert Heath, Jr., North Waterford.

They also received cards and gifts, and all enjoyed the lovely Valentine's day.

It is time to celebrate Uncle George Washington's birthday once again, and as usual it will be one whole week ahead of time. For a few years my niece Barbara Felt, and I, used to celebrate with Uncle George but I can't afford to lose nine whole days this year so I will celebrate or observe my birthday on my real natal day and I know that will be just as happy.

When we write the news three days earlier, we are short of news, so this may be short this week.

Betty McAllister, a former resident is a patient at Stephens Memorial Hospital and may possibly undergo surgery soon. I called on her Thursday afternoon while my husband was having x-rays, but she was sleeping and I thought she might need the rest more than she needed company, so I left. The other lady in the room was also asleep. I wish them both well.

It seems that Berlin, N. H., has the right kind of Justice, to give a man the same kind of treatment as the man gave to his puppies. Maybe Maine needs a Judge like that one. I read in the Sun that the man was afraid in the dark. Maybe he will think twice before he abandons his animals now.

Norman, Arlene and Jo-Anne Abbott, Mexico, were in town Saturday evening and brought a gift to aunt Evie, even though I don't celebrate with Uncle George this year. I would be old before my time to keep up with him.

Several on our street were at their doctor's office during the past week, namely Doris Law-

South Woodstock

— Olive Davis, Corres. —

Mr. and Mrs. Robert Deegan of Westbrook, formerly of South Woodstock, arrived home from a three weeks vacation, as guest of Esther Davis, Orlando, Fla. While there they toured all points of interest including a three day trip to Key West, Fla., accompanied by Esther Davis and Barbara Cash who is living with Esther this winter. It was 80° at that time.

Robert Deegan will be going into Maine Medical Center in Portland Sunday, where he expects to undergo surgery later this week.

Mrs. James Mason entered the Park View Hospital at Brunswick for surgery last week. She expects to be home in 10 days.

Another storm and blow this week, Tuesday. Many accidents on slippery driving. They tell me the woodsmen are all wallowing to

rence, Harold, Joseph and Eveline Vatcher. When Joe Vatcher went to the hospital for x-rays we saw Abbott Orchards' truck in the parking lot. Hope no one in their family is hospitalized. It is a good place to be when we need to be.

Mr. and Mrs. William Labbe, Dannie and Connie, Fort Devens, Mass., came Saturday evening to spend a week with her parents, Mr. and Mrs. Harold Vatcher. School vacation.

The fox has been around this week, but no fat ducks outside now. I would like to see the dogs scale the fence and play fox and dogs.

Schools are closed this week. Hope the students have fun. This is the happiest time of their lives, but they do not believe it.

Nice day for Valentine parties. Hope you all had fun.

Norman Abbott of Mexico planned to fly Monday to Buffalo, N. Y., to instruct in running a paper making machine.

(Bethel Emergency Ambulance & Rescue Service, Inc.)

The monthly meeting was held Sunday, Feb. 14. Training practice was lifting people in and out of the ambulance on the cot. Many proposals were made concerning the future ambulance services.

There will be a work bee on Feb. 21 at the S.A.D. 44 Bus Garage. Many things have to be finished so if you have any spare time drop by and help any time.

The new phone number is 1-800-482-7433. It is now available on stickers which are being distributed door to door. But there will be some in the local businesses soon.

Be patient there'll soon be one in your home.

Safety Tip of the Week**—Medic Alert Tag**

If you have a known allergy or medical problem such as diabetes or angina you should wear a medical alert tag. They are available either as a necklace or a bracelet. In case of unconsciousness, it could save your life.

More \$\$ For Retirees
Another proposal to aid struggling beneficiaries of the State Retirement System will be reviewed by the Legislature this year, and if the response is as affirmative as it was last year, these retirees can expect some relief to be forthcoming. Last year, the Legislature voted to grant a one-time 2% cost of living boost to recipients, on top of the 4% adjustment they are normally entitled to. It was felt that because of the high rate of inflation in recent years, Maine's retired workers were not receiving the returns from the system that they had a right to expect. The 2% boost was intended to compensate for this problem somewhat.

This year the Brennan administration has indicated that the State Treasury may be up to almost \$30 million over anticipated revenues, and because of this, many Legislators feel that last year's 2% boost to retirees ought to be extended, if possible. One proposal seeks to grant \$1 to each retiree for each year they were employed by the state. Supporters of this bill see it as a method of equalizing the disparities in the adjustments that the retirees would receive. Since cost of living adjustments are normally keyed to pay scales, workers who have retired recently receive a larger adjustment than older retirees, because recent retirees were obviously paid more. The method utilized by the new bill should treat older retirees much more fairly.

Despite the strong support that seems to exist for the cost of living adjustment, opponents are concerned over the expense of the proposal. The bill that has been submitted to the Legislature will cost the state over \$3 million, and many people feel that despite the worthiness of the retirees, there may not be enough money available to fund the extra inflation boost. Ironically, much of the concern centers around the assumption that the \$30 million surplus that currently exists will be wiped out in a new contract with the State Employees Union.

CARD OF THANKS.
I want to thank all the kind friends who sent plants, dairy flower arrangements and cards while I was in the hospital and after my return home. Thanks to Reverend Bass for his calls and special thanks to our neighbors who did so much for us.

News from C. P. S.
On Wednesday, Feb. 10, Mrs. Ben's fourth grade (Crescent Park School) visited Dr. Trivard's dental offices and Mr. Arpeiz's dental laboratory. Mrs. Jane Barth helped make arrangements for the trip and accompanied the class on the trip.

The children saw the steps of preventive dentistry with Mrs. Barth and Dr. Trivard. They also learned how much of their equipment is used. At Mr. Arpeiz's they saw the equipment used in making dentures, partials and crowns and bridges. They also saw some dentures partly made and learned how they would be finished.

When they returned, the children made a list of the things they saw. Then they drew pictures to make a large thank you card for Dr. Trivard and Mr. Arpeiz. They really enjoyed their trip.

Greenwood City — Mrs. Collista Morgan, Corres. —
The moon was full and rode high this past week. I looked from my bedroom window toward the woods near midnight. I gazed at the dusky shadows silvered by moon beams and I found a sense of mystery and delight. The loose feathery foliage of the evergreens had a peculiar hoary aspect that made these trees seem more alive than others, more conscious of my presence.

The stars of gold, twinkled above Overset Mountain. They were thick smudged clusters of silver light.

Lonely, bleak, and wind swept the mountain might be, but there is always some thing which lifts my heart when I see or think of it. This mountain crag, a neighbor to the sky, has engraved itself upon my emotions.

I was lucky one day for the crust was solid enough for me to walk on. So I took a jaunt into the woods.

Sound called unto sound and the forest with its breeze was all one harmony. Suddenly a brief silence would fall. Then again came a rustle, a whisper, as if drops of rain were falling. Only the dry leaves of beeches as they stood enveloped in shadows.

Walking here I approached some hemlocks and paused to note the antics of a red squirrel. It ran and snickered at my approach, and mocked the grove with its chattering and frisking.

I leaned against a tree and listened for changing sounds of the wilderness.

Slow-moving clouds crossed the horizon in the west.

Trees stood bold on either side of me, dappled and burnished by shafts of sunlight that penetrated from overhead. The light seemed warm and glowing. My ears groped for more sounds, any sound, even to the faintest murmur of the wind. How quiet and serene the forest was now!

I paused beneath a giant tree. I wondered how many storms it had weathered, and what tales it could tell. It refused to release its secrets. So I retraced my path homeward glad that today I had been able to leave the highway and once more walk the woods.

Slow-moving clouds crossed the horizon in the west.

Trees stood bold on either side of me, dappled and burnished by shafts of sunlight that penetrated from overhead. The light seemed warm and glowing. My ears groped for more sounds, any sound, even to the faintest murmur of the wind. How quiet and serene the forest was now!

I paused beneath a giant tree. I wondered how many storms it had weathered, and what tales it could tell. It refused to release its secrets. So I retraced my path homeward glad that today I had been able to leave the highway and once more walk the woods.

Greenwood City — Mrs. Collista Morgan, Corres. —
The moon was full and rode high this past week. I looked from my bedroom window toward the woods near midnight. I gazed at the dusky shadows silvered by moon beams and I found a sense of mystery and delight. The loose feathery foliage of the evergreens had a peculiar hoary aspect that made these trees seem more alive than others, more conscious of my presence.

The stars of gold, twinkled above Overset Mountain. They were thick smudged clusters of silver light.

Lonely, bleak, and wind swept the mountain might be, but there is always some thing which lifts my heart when I see or think of it. This mountain crag, a neighbor to the sky, has engraved itself upon my emotions.

I was lucky one day for the crust was solid enough for me to walk on. So I took a jaunt into the woods.

Sound called unto sound and the forest with its breeze was all one harmony. Suddenly a brief silence would fall. Then again came a rustle, a whisper, as if drops of rain were falling. Only the dry leaves of beeches as they stood enveloped in shadows.

Walking here I approached some hemlocks and paused to note the antics of a red squirrel. It ran and snickered at my approach, and mocked the grove with its chattering and frisking.

I leaned against a tree and listened for changing sounds of the wilderness.

Slow-moving clouds crossed the horizon in the west.

GREENWOOD REC. COMMITTEE TO HOLD CARD PARTY FEB. 27

The Greenwood Recreation Committee will hold its second card party of the season on Saturday, Feb. 27 at the Greenwood Town Hall, starting at 7 o'clock.

The last party proved that cribbage players are a hardy bunch. In spite of a winter storm eight players showed up. All bridge players and sixty-three players are urged to make plans to join the group this time.

A small entrance fee covers your evening's entertainment, refreshments, and prizes. For your own convenience you are asked to call 875-2683 for reservations.

BETHEL FIRE DEPARTMENT LAUNCHES COMMUNITY CALENDAR PROGRAM

This week the Bethel Fire Department begins its Community Birthday Calendar Sale. The Birthday Calendar makes Bethel a friendlier place to live by informing people of the birthdays and anniversaries of their loved ones and acquaintances as well as meeting dates of various civic organizations.

For a charge of \$3.50 a family can list the birthdays and anniversaries of each member plus receive a beautiful calendar.

Funds realized from this project are used to buy needed equipment to better serve and protect YOU!

Order your calendar NOW from any fireman or chairman Dave Brown, phone 824-2945.

To former Bethel residents: This calendar is a friendly link with your town and friends. Send your check and information and the calendar will be mailed to you.

OUR TOWN BEING PRESENTED AT GOULD

FRIDAY, SATURDAY, FEB. 19-20

On Friday and Saturday evenings, Feb. 19 and 20, students in Gould Academy's Drama Program will present the delightful play "Our Town" by Thornton Wilder.

This ever popular classic stars David Britten, a senior from Skowhegan as George Gibbs, and Suzanne Wells, a junior from Pomfret, Conn., as Emily Webb. Others in the play include Tony Hanson, Rowley, Mass., as Mr. Webb; Cristi Coyle, Westport, Conn., as Mrs. Webb; Aaron French, Round Pond, as Wally; Tim Feleppa, Southampton, N. Y., as Dr. Gibbs; Hilda Kurtz, Paris Hill, as Mrs. Gibbs; and Bert Field, Stow, Mass., as Rebecca.

The play is under the direction of Mrs. Carol Fiske, veteran drama coach at Gould, who has produced many successful plays and musicals at the school. "Our Town" will be staged in the William Bingham Auditorium each night at 8 p. m. and the public is cordially invited to attend either of these performances.

LOCKE MILLS

Mrs. John Mills, Corres.

Those sending cards to Mrs. Lester Cole at Andrews Nursing Home are requested to use the name of Carrie, rather than her nickname of Netta as her records are in that name. Mrs. Cole was reported to have been improved, but she is now having a cold which has set her back a little.

Sympathy is extended to Herman and Everett Cole, Louie Sweetser and Elizabeth Knights on the death of their sister, Alice Cole, at Andrews Nursing Home.

Sympathy is also extended to the family of Durward Lang, who died Tuesday at his home in West Paris and to Mrs. Robert DeNormandie whose brother, Joseph Hartell, died Saturday morning at a Massachusetts hospital.

Earl Smith was delighted to learn that his tests did not show what the doctors had anticipated and he was able to be home from the hospital in three days instead of two weeks. It's nice to get some good news for a change.

Tena Morgan accompanied Charlotte Cole Sunday afternoon to visit Miss Lulu Swan, Norway, and Mr. and Mrs. Lester Cole at Andrews Nursing Home, South Paris.

Mrs. Dora Ford, Mrs. Mary Stone and Mrs. Margery Swan enjoyed a visit to Penham's Mineral Store one day last week.

Mr. and Mrs. Warren Smith, Mrs. Everett Cross, Mr. and Mrs. Charles Mason Jr., Mr. and Mrs. Raymond Tripp were among area people attending the meeting of Oxford County Council of the American Legion Tuesday evening.

HOWE - DAVIS

Stella Davis of Rumford Point and Kevin Paul Howe, USN, of Hanover were wed Feb. 6 in Locke's Mills at the Moses Houghton House in a double ring civil ceremony performed by Justice of the Peace Stephen Trent Seames.

The bride is the daughter of Mr. and Mrs. John R. Davis of Rumford Point. Parents of the bridegroom are Mr. and Mrs. Gordon P. Howe of White River Junction, Vt., and former residents of Hanover.

Andrew Bean of Rumford Corner served as attendant for the bride and Lyndon Leonard of Lewiston as the best man.

A reception followed at the Locke's Mills Town Hall featuring a buffet luncheon under the direction of the bride's aunt, Mrs. Joan Kimball of South Rumford. The guest book was kept by Mrs. Sandy Leonard of Lewiston, and the gift table was attended to by the groom's sister, Mrs. Elaine Walker of Columbia, S. C.

The bride and groom are both graduates of Rumford High School and will make their home in Norfolk, Va., where Petty Officer Howe is assigned.

LOCAL VOTE ON NUCLEAR ARMS TO BE DISCUSSED

On Sunday, Feb. 21, at 7:30 p. m. at the Bryant Pond Unitarian-Universalist Church the public is invited to an open discussion of whether to send a message to Congress and the President to negotiate a mutual nuclear arms freeze with the Soviet Union. This discussion is pertinent to an article that appears in several local Town Meeting warrants, including that of Woodstock. Anyone seeking to clarify his or her thoughts on the question is welcome.

A brief movie produced by Physicians for Social Responsibility will be shown. Also focused upon will be the sentiment for bilateral nuclear disarmament that is growing at the grassroots level throughout the United States.

A worship service celebrating the earth will precede the discussion. Everyone is invited to worship at 7 p. m. For purposes of energy conservation, the meeting will take place in the downstairs fellowship hall.

MARRIED

In Bethel, Feb. 14, by the Rev. Jean Bass and the Rev. Brandon Bass, Charles Nielsen and Carol Starr, both of Bethel.

In Locke Mills, Feb. 6, by Stephen T. Seames, J. P., Kevin Paul Howe of Hanover, and Stella Davis of Rumford Point.

DIED

In Rumford, Feb. 12, Philip L. Fortin of Rumford, aged 74 years. In West Paris, Feb. 17, Durwood Lang, aged 79 years.

DURWOOD LANG

Durwood E. Lang, died unexpectedly Wednesday morning, Feb. 17, 1982, in West Paris.

He was born at Milan, N. H., March 20, 1902, the son of Bert C. and Ella Cole Lang. He attended Woodstock school and was married to Iva Bryant, Dec. 30, 1924. They have lived in West Paris since 1948. Mr. Lang was a mill worker and was employed by several wood working mills in the area. He was employed at the I. W. Andrews and Son casket factory from 1959 until his retirement in December of 1972. Since that time he was self-employed as a wood craftsman and was well-known for his skill in making picture frames, doll furniture, children's furniture, as well as doing furniture repair work.

Survivors include his widow, Iva Lang, West Paris; a son, Merle E. Lang, and a sister, Miss Eldith, both of West Paris; and four grandchildren.

Funeral services will be held Friday at 1:30 at Andrews funeral home, South Woodstock.

PHILIP L. FORTIN

Philip Lewis Fortin of Hanover, widower of Ida Mary DesRoches Fortin, died Friday, Feb. 12, 1982, at Rumford Community Hospital where he had been a patient for 11 days.

He was born Dec. 31, 1907, in Quebec and had resided in Hanover for more than 50 years. He was a communicant of St. Athanasius-St. John Church. He was retired from the finishing room of the Oxford Paper Co.

Survivors include six sons, Robert and Larry G., both of Hanover, Gerald of Mexico, Albert (Billy) of Orangeville, Calif., Reginald of Drevsville, N. H., and Edward of South Woburn, Mass.; a daughter, Mrs. Robert (Jeanette) Gaisson of Carmichael, Calif.; 23 grandchildren and six great grandchildren.

A Mass of Christian Burial was held from St. Athanasius-St. John Church, Rumford, Monday morning. Burial will be at the Hanover Cemetery in the spring.
